COVID-19 Health Regulations

During the COVID-19 (coronavirus) pandemic, My Driving Academy, LLC is taking precautions to make certain we are able to provide our students with the safest instruction. As such, we ask that students please abide by the guidelines below.

During classroom instruction:

1. Students are required to wear a face covering (covering the mouth and nose) at all times during the in-class session.
2. Six (6) feet of separation should always be maintained between students.

During behind the wheel instruction:

1. Only one (1) instructor and one (1) student will be allowed in the vehicle at any time. The only exception to this rule will be for a parent/guardian or representative of the MDOT MVA to accompany a student for the purpose of monitoring instruction.
2. All occupants of the vehicle must adhere to the appropriate safety guidelines including wearing of a face covering (covering the mouth and nose) at all times.
3. Eye protection (indirectly vented goggles) are strongly recommended.
4. Hands should be washed and sanitized before and after driving instruction.

By signing the following, you agree with the terms above and agree to abide by the regulations until further notice. You also agree and understand the risks involved with attending classes during the pandemic. Students and their parents/guardians understand that they are attending classes at their own risk and that My Driving Academy, LLC will not be held liable for any incident relating to COVID-19.

Student Name (print): _____

Signature: _____

Parent/Guardian Signature: _____

(If under 18 years of age)

Date (mm/dd/yy): _____
